

*21st Annual
Military Gala & Banquet*

For over twenty years we have been paying tribute to our veterans and active duty military while celebrating freedom—during the Veterans Homecoming Celebration in Branson, Missouri, with an Annual Military Gala & Banquet held at the Chateau on the Lake.

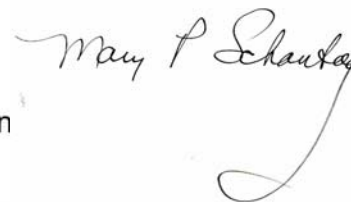

This year our 21st Gala will salute the service organizations. Whether federally chartered or individual non-profit organizations, they help our veterans after military service to have a full life, care when they need it, and brothers in arms when they celebrate any number of special occasions.

The night begins with a private reception for the attendees, with dancing, cocktails and formal portraits available. As we move to the Ballroom for dinner, Colors are posted, we offer military toasts with wine and juice on each table, join in a candlelight POW/MIA service, and enjoy local entertainment during our banquet. All the military branches are recognized, and the Marines honored with a birthday cake. Intermission includes an American made fireworks display on the front lawn of the Chateau.

Only through your support are we able to keep ticket prices at a minimum and avoid yearly increases. This is not a fundraiser, and funds are not used for P.O.W. Network overhead expenses. The P.O.W. Network is an educational 501(c)(3) nonprofit organization. Your donations are tax deductible.

Send no money now. Simply return the pledge card by June 15, 2017, or email us of your intent <info@pownetwork.org> and you will be noted immediately on all materials as a GALA sponsor. Payment in full is due by October 1, 2017.

Respectfully,

Chairman

The evening continues with special presentations, recognition of sponsors, and more dancing for the guests.

We never miss the Gala. It has great entertainment and very patriotic. Mary puts her whole soul each year to make each one better, and starts at the end of each year. They have a great board to make the Gala the premier entertainment supporting Veterans Day. It's all about Veterans and their families.

What an honor and a privilege it was to sit among so many of our nation's Heroes - to break bread with them and to hear some of their stories and share some of mine. I will always be humbled.

Very reminiscent of what was known as a Dining Out in the United States Navy; what with the formal dress of the men graced with the beauty and elegance of the ladies. A fine finish to a week of honoring service and a MUST to attend.

The Gala has always been the highlight of the week for us. We see "old" friends--and this is the only time of the year we get together. Of course, there are others we see more often and keep in touch with over the year always commenting "can't wait to see you in Branson--and the Gala!" This is a very special night and honors all our military--past, present, and those who gave it all. We all owe a big thanks to Mary for continuing the work she and Chuck started.

Your GALA evening is filled with wonderful tribute to our nations veterans and is a committed reminder of our nation's forgotten warriors. Those Missing In Action and those who remain held beyond their own control, our Prisoners Of War. Keep up the great work.
